---

Many Yreka High School graduates are greatly indebted to United Scholarships, Incorporated for the financial aid they received toward their college educations. To show our appreciation, we dedicate the 1972 IEKA to them.

This non-profit organization was founded in 1964 to provide meaningful scholarships to deserving students of Y.H.S. Besides giving their own money, U.S.I. also administers scholarships for other organizations. In its first year, U.S.I. gave a \$50 scholarship and administered a \$100 scholarship. In 1971 U.S.I. gave \$6,600 of its own funds and administered \$1,850. U.S.I. receives its money from bequests, estates, and memorials and gives in scholarships its entire earnings, including those from invested principal each year.

Mr. Edgar J. Foss, president of U.S.I., expresses his feelings -

"I am positive I speak for the entire membership of the U.S.I. board of directors, both present and past, when I say that our involvement with U.S.I. has proven to be the most gratifying of any of the public service projects in which we are all severally involved."

## Ivana

Yreka High School is honored to have Ivana Bertolone, from Torino, Italy, as its foreign exchange student this year. She arrived in Yreka, August 6th, to live with the Howard Wells family.

Ivana is seventeen and a senior at Y.H.S. Her classes are Social Studies, Algebra II, English, Reading, Biology I, and P.E. She likes our school system, especially the Social Studies program.

Since her arrival in Yreka, Ivana has experienced many new things. She has seen her first football game, has been horseback riding, and has driven a tractor. Ivana also enjoyed snow skiing on the slopes in this area.

The entire community would like to welcome Ivana and hope that her stay in Yreka is very pleasant and memorable.

### Kerry

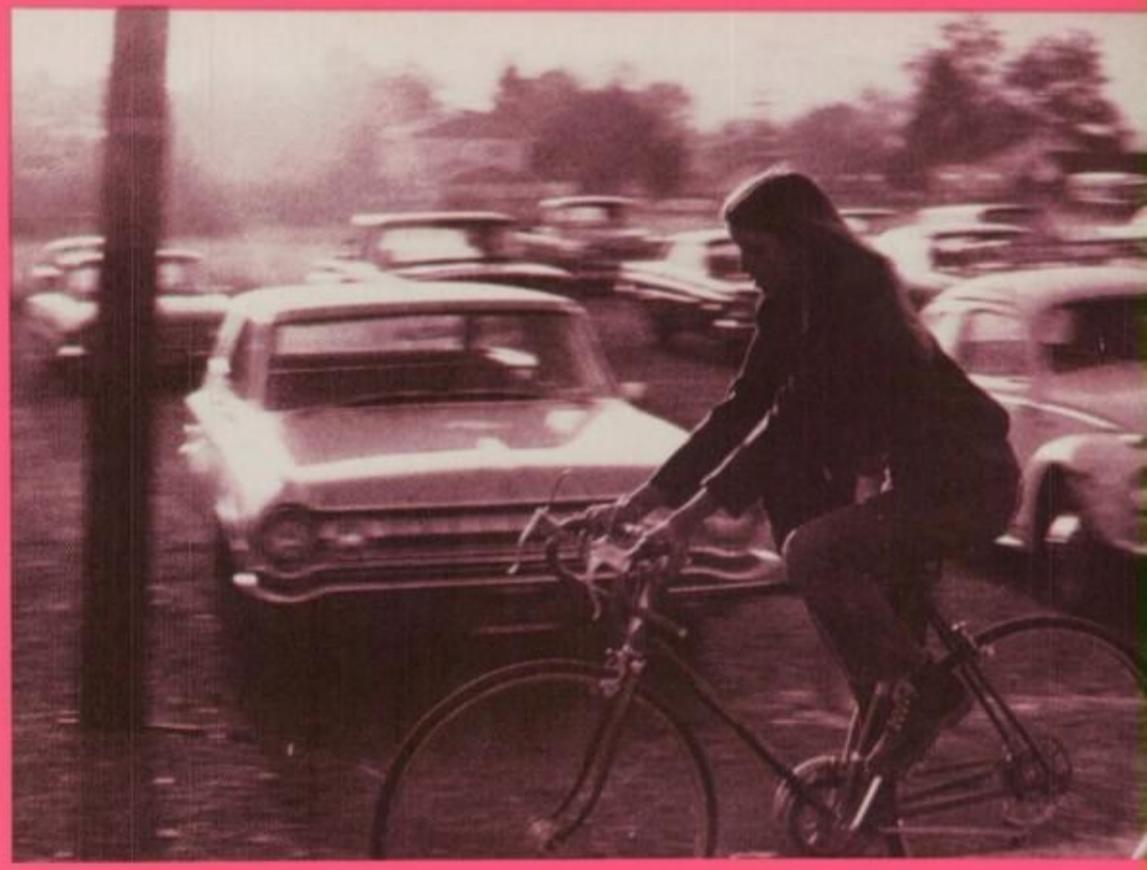

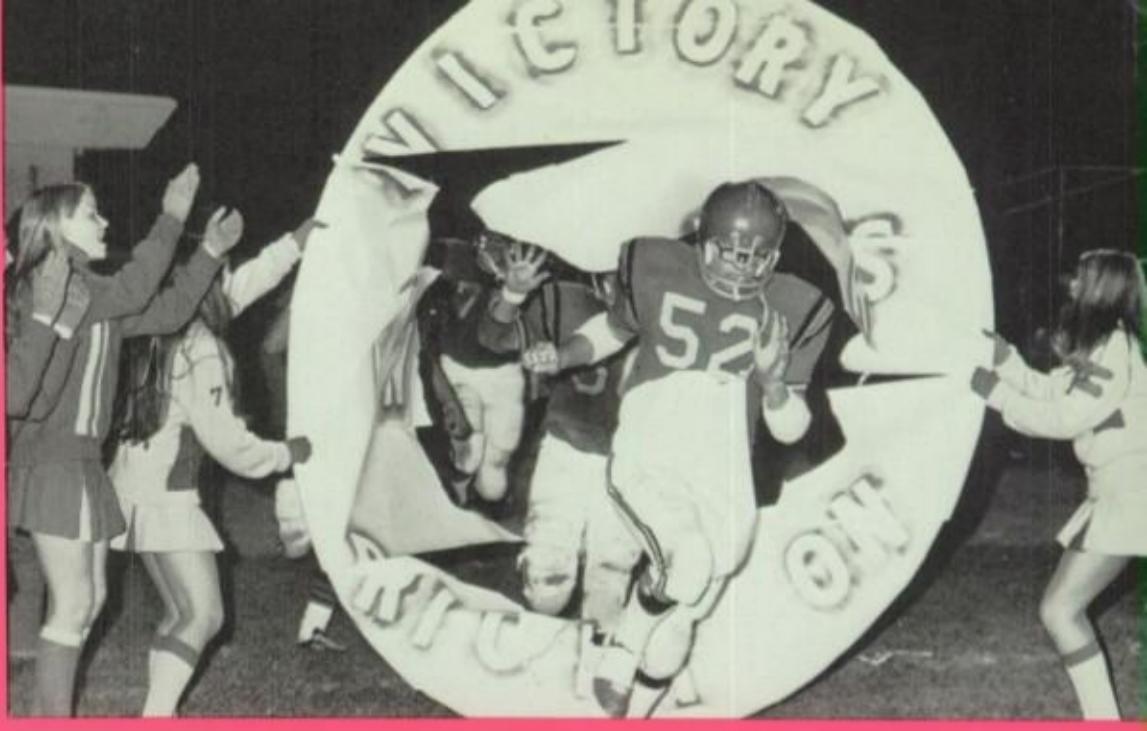

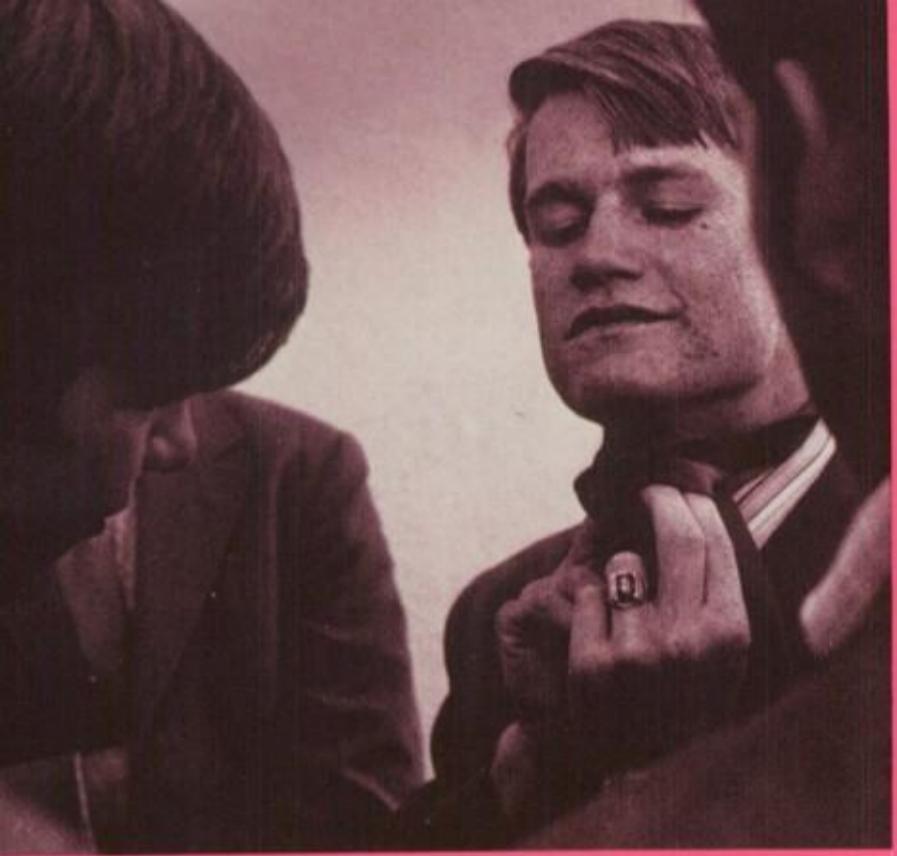

Yreka High School's Summer Exchange Student, Kerry Jenkins, travelled to Australia. Kerry left June 16th and returned August 26th. She stayed with the Evert family in a suburb of Melbourne, eight miles from the city center. There were five in Kerry's family, with three girls.

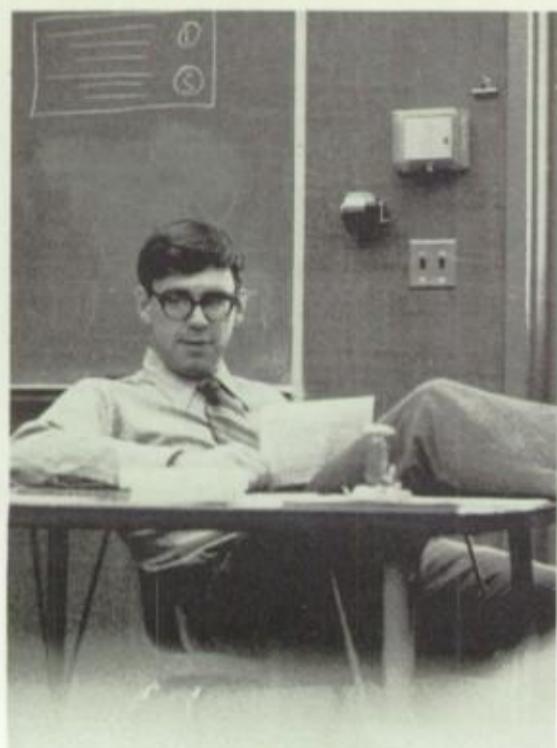

Kerry attended Ruyton, a private girls' school, that had 560 girls from kindergarten to 12th grade. Her classes included Crafts, Weaving, Australian History, English, Biology, and Art.

While there, Kerry had the opportunity to stay with a Greek Family for one weekend. She also stayed in Sydney and visited Canberra, the capitol. As it was winter in Australia, Kerry had a chance to enjoy snow skiing. She also attended a college formal ball.

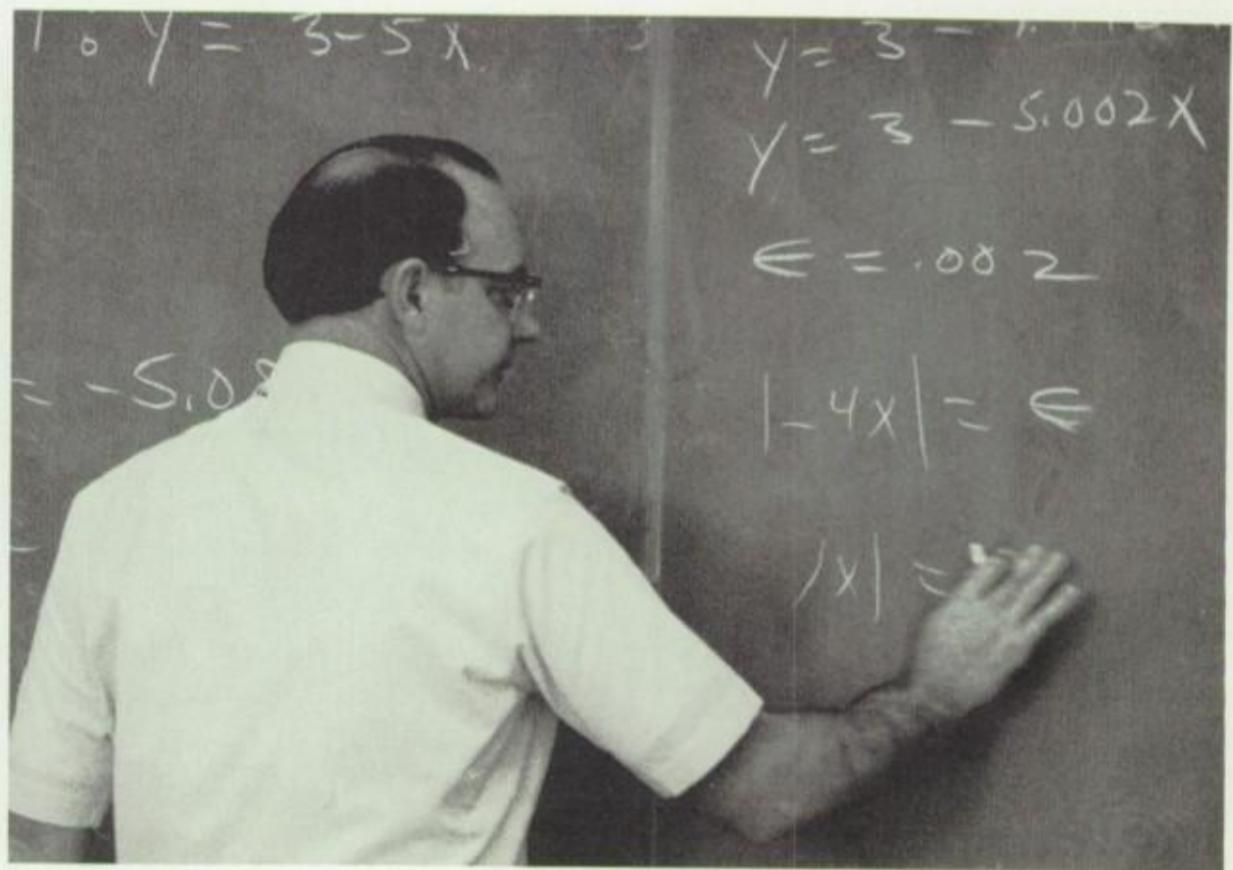

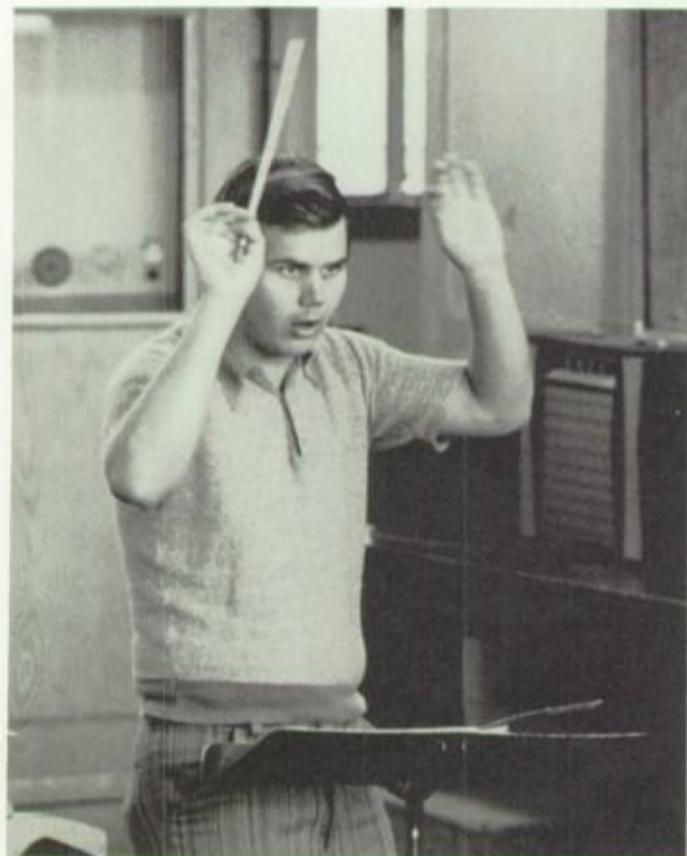

She found that the best part of the trip was all the interesting people she met.

#### More Than Any Other

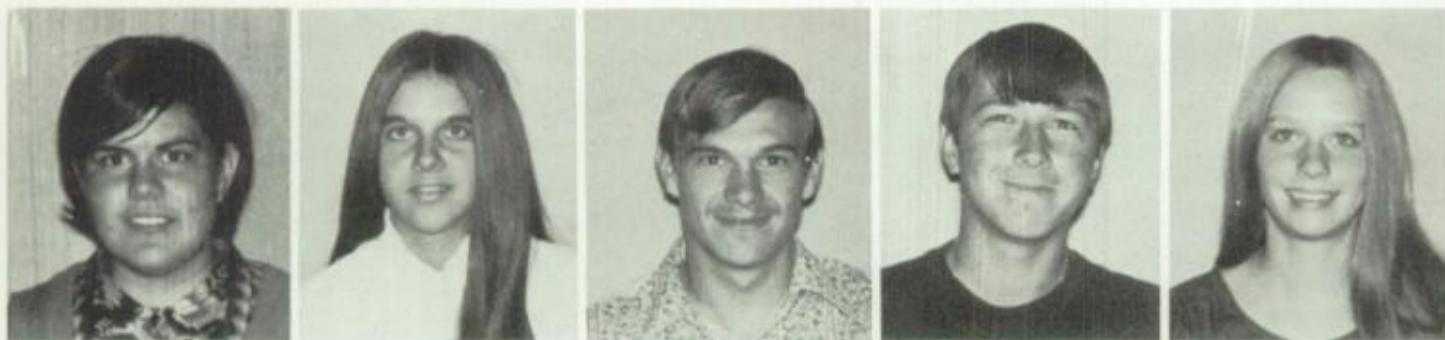

I sit alone tonight  
No friends to talk with,  
Just alone.  
I think it's sometimes better  
this way  
To be able to just sit and  
think of all I have  
Even if I can't be with her.  
So many miles from home,  
so far from what I have,  
It makes me wonder why,  
Why I never told her more  
"I love you."  
Only three short words,  
Maybe the most-used three  
words,  
But three words  
That come from deeper within  
the heart  
Than any other.

Then it's over, so fast

# Homecoming 1971

Princess Laurie Greenwood, Princess Jeanie Houdehell, Queen Teri Wallis, Honorary Princess Ivana Bertolone, Princess Debbie Brahs

## Spirit '71

The mood of homecoming was reflected by the theme Spirit '71. Some of the highlights of homecoming week were Slave Day on Tuesday, the Bazaar on Wednesday and Thursday, and Crazy Clothes Day on Thursday. The parade travelled through the downtown area on Friday. That night during halftime of the game, Teri Wallis was crowned 1971 Homecoming Queen and the awards for the floats were presented. The class of 1972 took first place on their float again for the fourth year. The first place float in the club division was the International Club float. The mighty Miners beat the Red Bluff Spartans by a score of 6-0. The 1971 homecoming was brought to an end with a dance held after the game. Thanks to the work of the homecoming committee the entire week was a success.

Here they come!

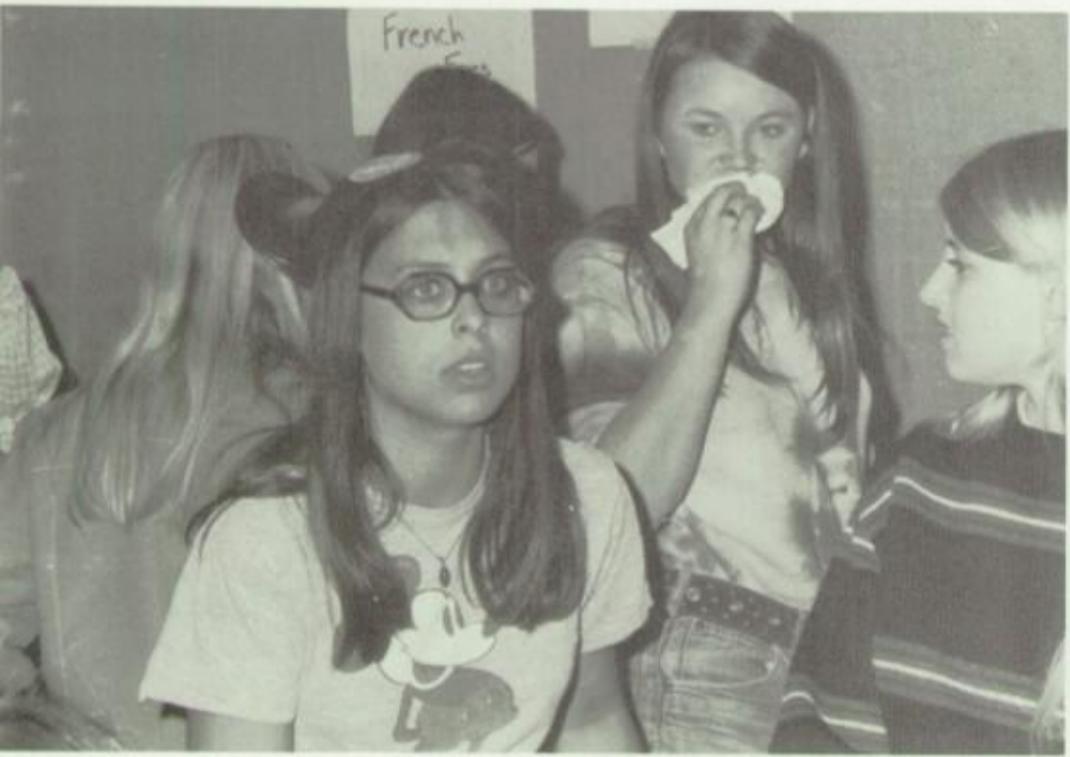

Not now, JESS!!

GOOD STUFF!!!

Somebody throw me a rope!

Hi, kids!!

Pretty exciting parade, huh!

Peace?!!

Who's that hiding behind the shades?

This year's school newspaper, NORTH STAR, was made an extracurricular activity. NORTH STAR has a large, thirty-five man, hardworking, all volunteer, staff. They have arranged such impressive improvements as doubling the size of the newspaper and changing its name. Because of its all volunteer status, NORTH STAR is now more than ever a paper of, by and for the students of Y. H. S.

In its first year of existence, the International Club won the Homecoming Club Float Competition. The club sponsored and held many enjoyable activities including a hootenany, Oktoberfest, snow party, and ended the year with a banquet. The club also gave two \$75 scholarships to active graduating members.

The organization gives the girls the opportunity to compete in many sports which help promote good sportsmanship, cooperation, and just friendship among the girls. Some of our activities include playdays for volleyball, basketball, trampoline, softball, and just about any sport the girls like to play. We also have had other activities such as roller skating, bike riding, bowling, a snow party, and a slumber party. ## Miner Pep Club

The Pep Club was quite active this year. During football games, hot baked potatoes were sold. Antenna toppers along with booster buttons were sold during the basketball season. Due to the interest of the Student Body and with the help of the Block Y, the Pep Club was able to take several pep buses to the games. Officers were: Karen Deller - President and Cathy McDuffy - Point Recorder, along with Mrs. Dillon as advisor.

Through voluntary efforts of students from both the Cadet Band and the Advanced Band, the school is again able to present a Pep Band. The group, under the capable direction of Mr. Candlish, not only spirited the crowds at Yreka's football and basketball games, but has also performed for C.O.S. games.

## Majorettes & Drum Major

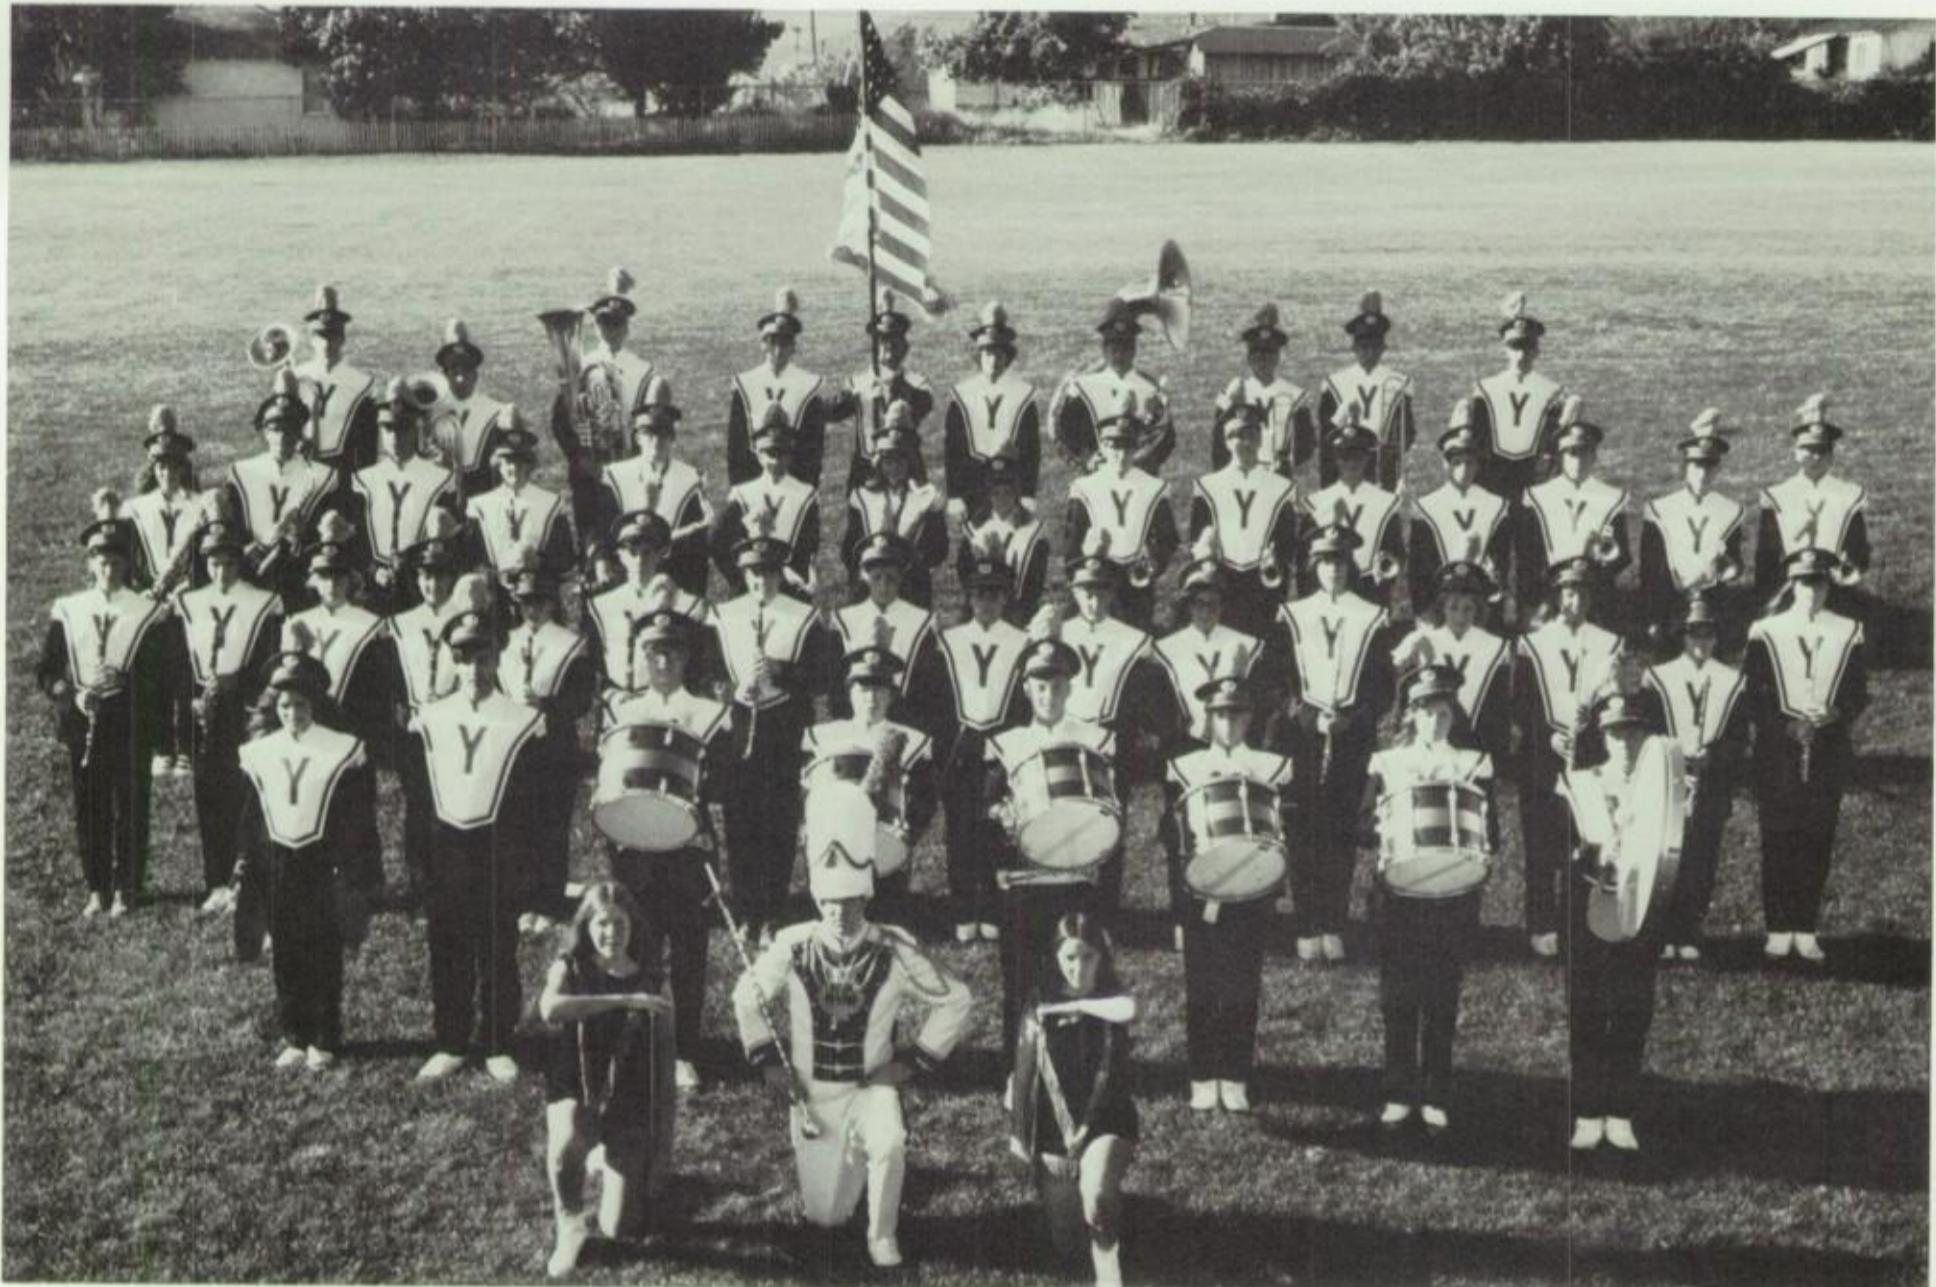

Debbie Jorgenson, Char Barry-Head, Sharon DeAvilla, and Tim Hennessy-Drum Major.

The majorettes twirled this year during the football games accompanied by the Advanced Band. Routines were done to the songs - "San Jose", "Hawaii Five-O", and "California Dreamin'" with a special routine twirled with fire to "Light My Fire". Money making projects included selling candy and megaphones.

Along with Tim Hennessy as Drum Major, the majorettes traveled to Roseburg where they competed in the annual Rose Parade.

Contrary to popular belief, the Advanced Band DOES do things. You just don't notice. For instance, who played during all the Yreka pregames and half-times and did a half-time show in Anderson? Who traveled many miles in order to march in the Roseburg Parade, present the Christmas and Spring Concerts, went to the C.O.S. and Chico Music Festivals, and frantically delivered fruitcakes in Yreka during Thanksgiving and Christmas? That's right. . . the Advanced Band.

Students returned to Y.H.S. last fall to find more campus lawns green and the patio area colorful with new plantings thanks to the assistance of F.F.A. members' work during the summer.

Since that time they have been preparing new lawn areas near the baseball diamond.

All of this in addition to regular night meetings held once a month.

Members attended livestock and landjudging contests and the state convention completed the years activities.

The traditional Yreka-Weed Axe game was a high point of the season with the Miner completely dominating the game and winning 54-0. The Homecoming game was against Red Bluff and the Mighty Miners won the thrilling game by a score of 6-0.

A high point of the post-season was the selection of Dave Spence as a running back and Steve DeClerk as an offensive tackle on the All-Superior California Football Team.

Coaches George Marlatt, Vernon Smith, Tom Broce, and the J. V. team had a very tough season, losing all of their league games. In the preleague playoffs they lost three games and tied two. Fighting against tougher teams, the J. V.'s battled to the end of the season never losing without a fight.

### "The Undefeated Miner Frosh"

This year the freshman team was very successful in football, winning all five of their games, plus three pre-league games.

Led by quarterback, Jim Kutzer, the mighty offense thundered through the season, scoring 262 points, an average of 32 points a game. Backing up the mighty offense was the "airtight" defense; the opponents scoring only 50 points all season, an average of 6 points a game.

The Miners had many things going for them, among them two very capable coaches, Mick Grensted and his assistant, Bob Laustalot. During the season, Mike Moore, Steve Whitlock, Steve Cramer, Mark Preston, Hans Peters, and Mike Smith were named as "Hitter of the Week". None of the players was cited as being the most outstanding; who could pick from so many great players? We'll all be looking for a great JV team next year!

The 1972 football season was brought to a close with the annual football banquet. The Miner's season was one of a team which didn't win too many but battled most of the games to the wire. Ask Anderson and Red Bluff. Both teams were rated very high and both looked like the teams to beat: After losing to Anderson twice in which the Miners did fight to the wire, they took on highly rated Red Bluff. With a superb effort from all 8 players the Miners pulled off the upset of the year. This was the kind of team it was. Though they didn't equal the record of many past teams, they still played the kind of basketball that has been a tradition at Yreka for many years, good solid basketball.

Gary Torgerson led the Miners in scoring with 182 points for 19 games, while Bill Alameda had 175. Alameda led in rebounds with 136, while Bill Thomas gathered in 107.

Coach George Marlatt praised his J.V. basketball team as being excellent shooters in spite of their relative height disadvantage. They finished the season with a 8-11 record and finished fourth in the Anderson Tournament.

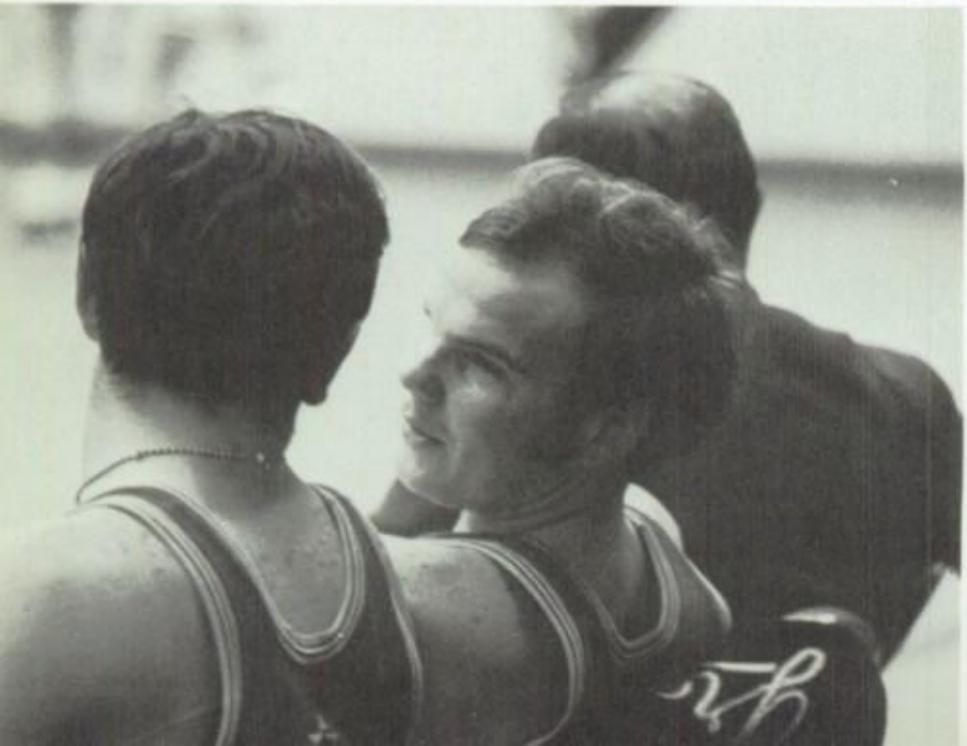

Tracy Gimbel led the team in both scoring and rebounds.

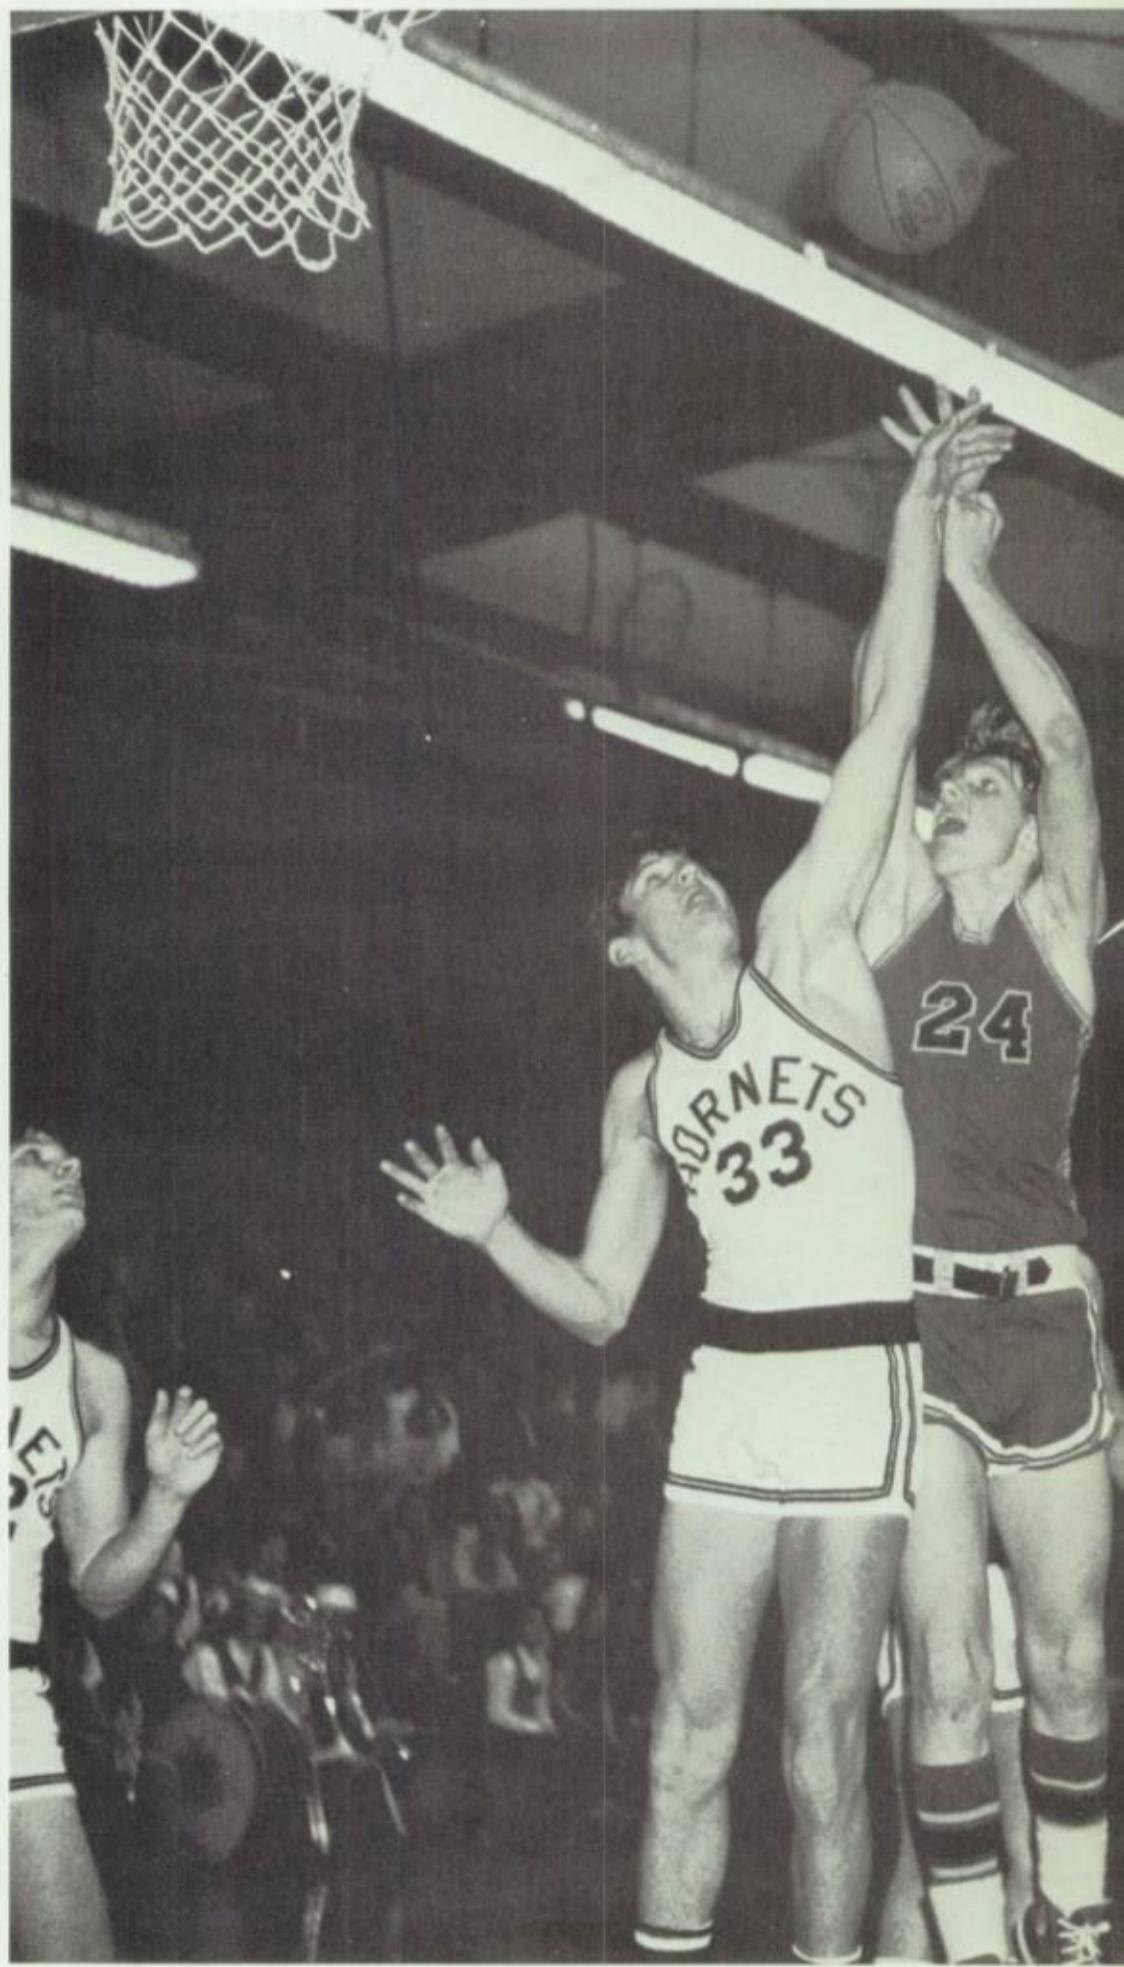

Now what kind

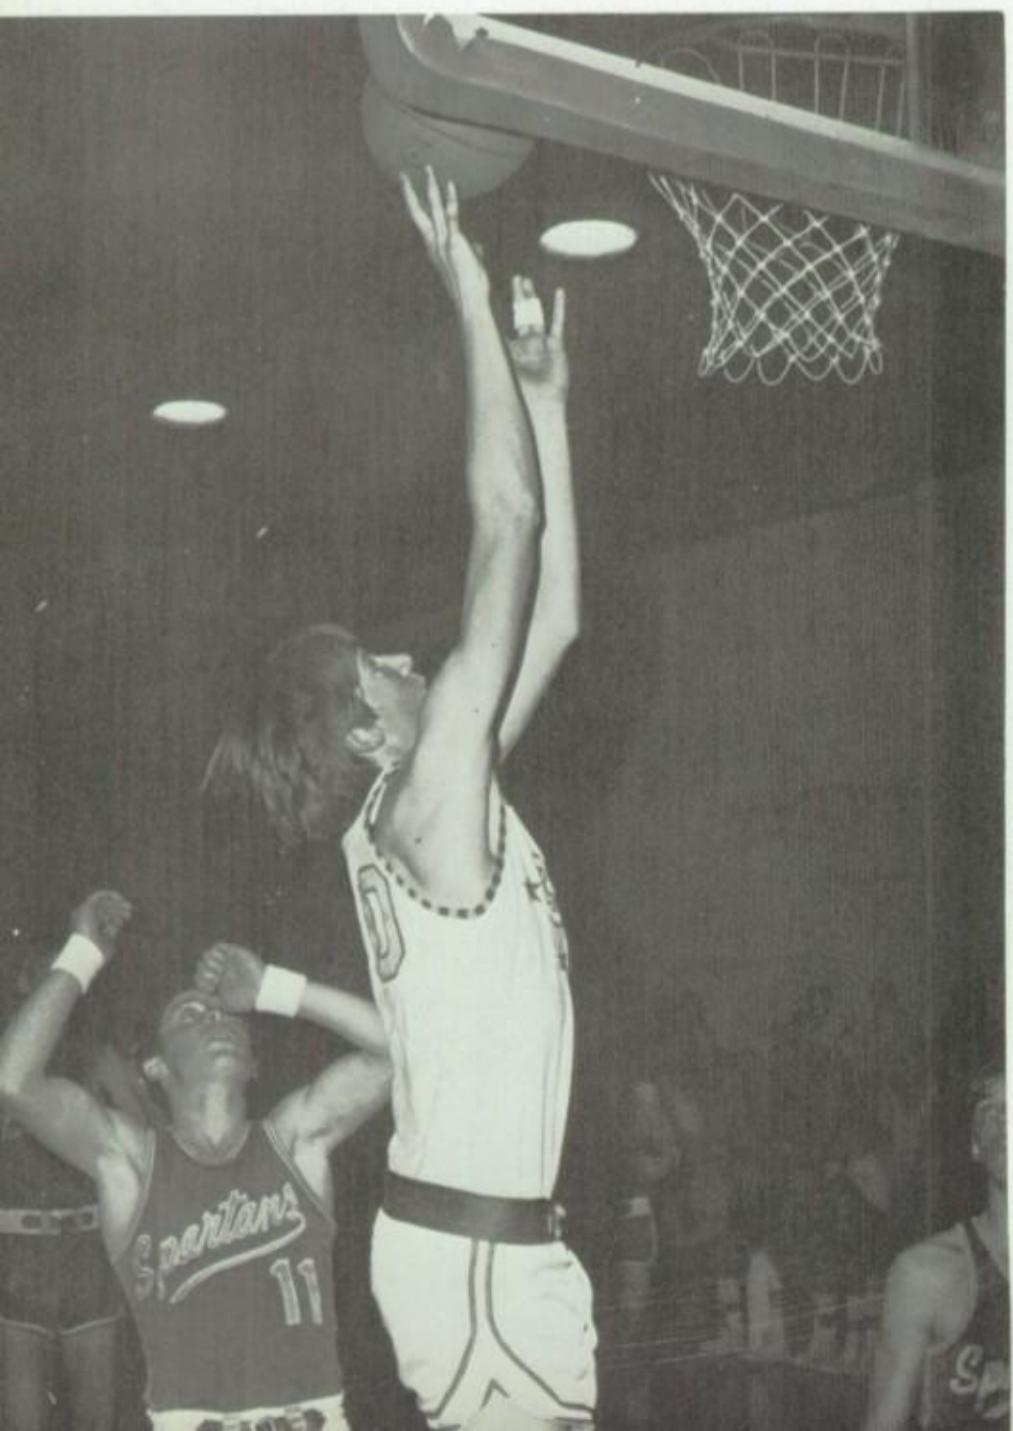

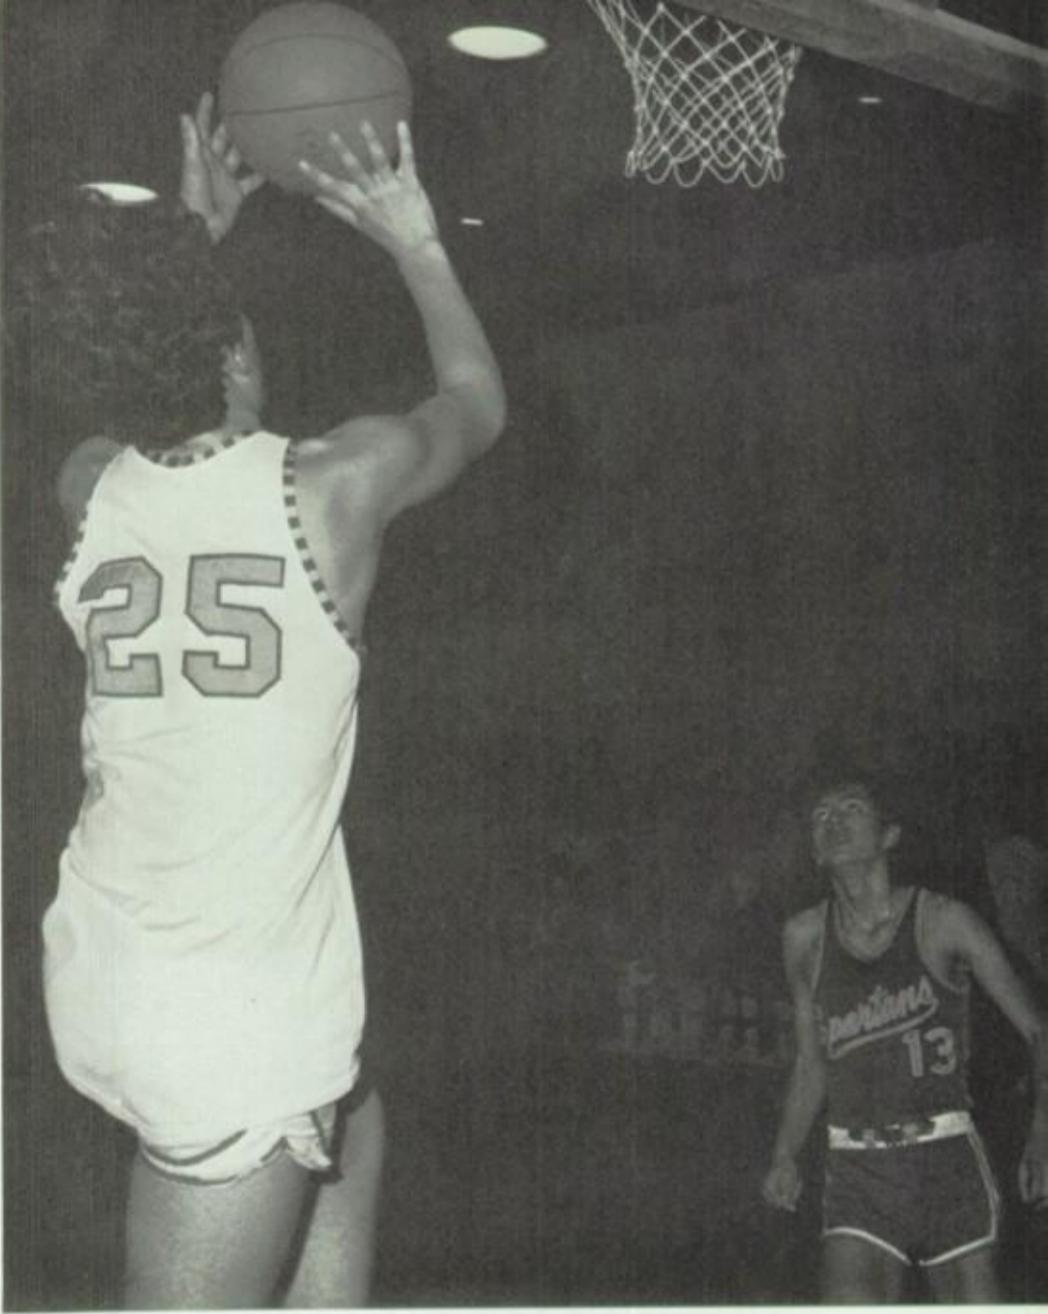

When do the seniors get to play?

of shot is that?

I want to hold your hand.

## Freshman Basketball

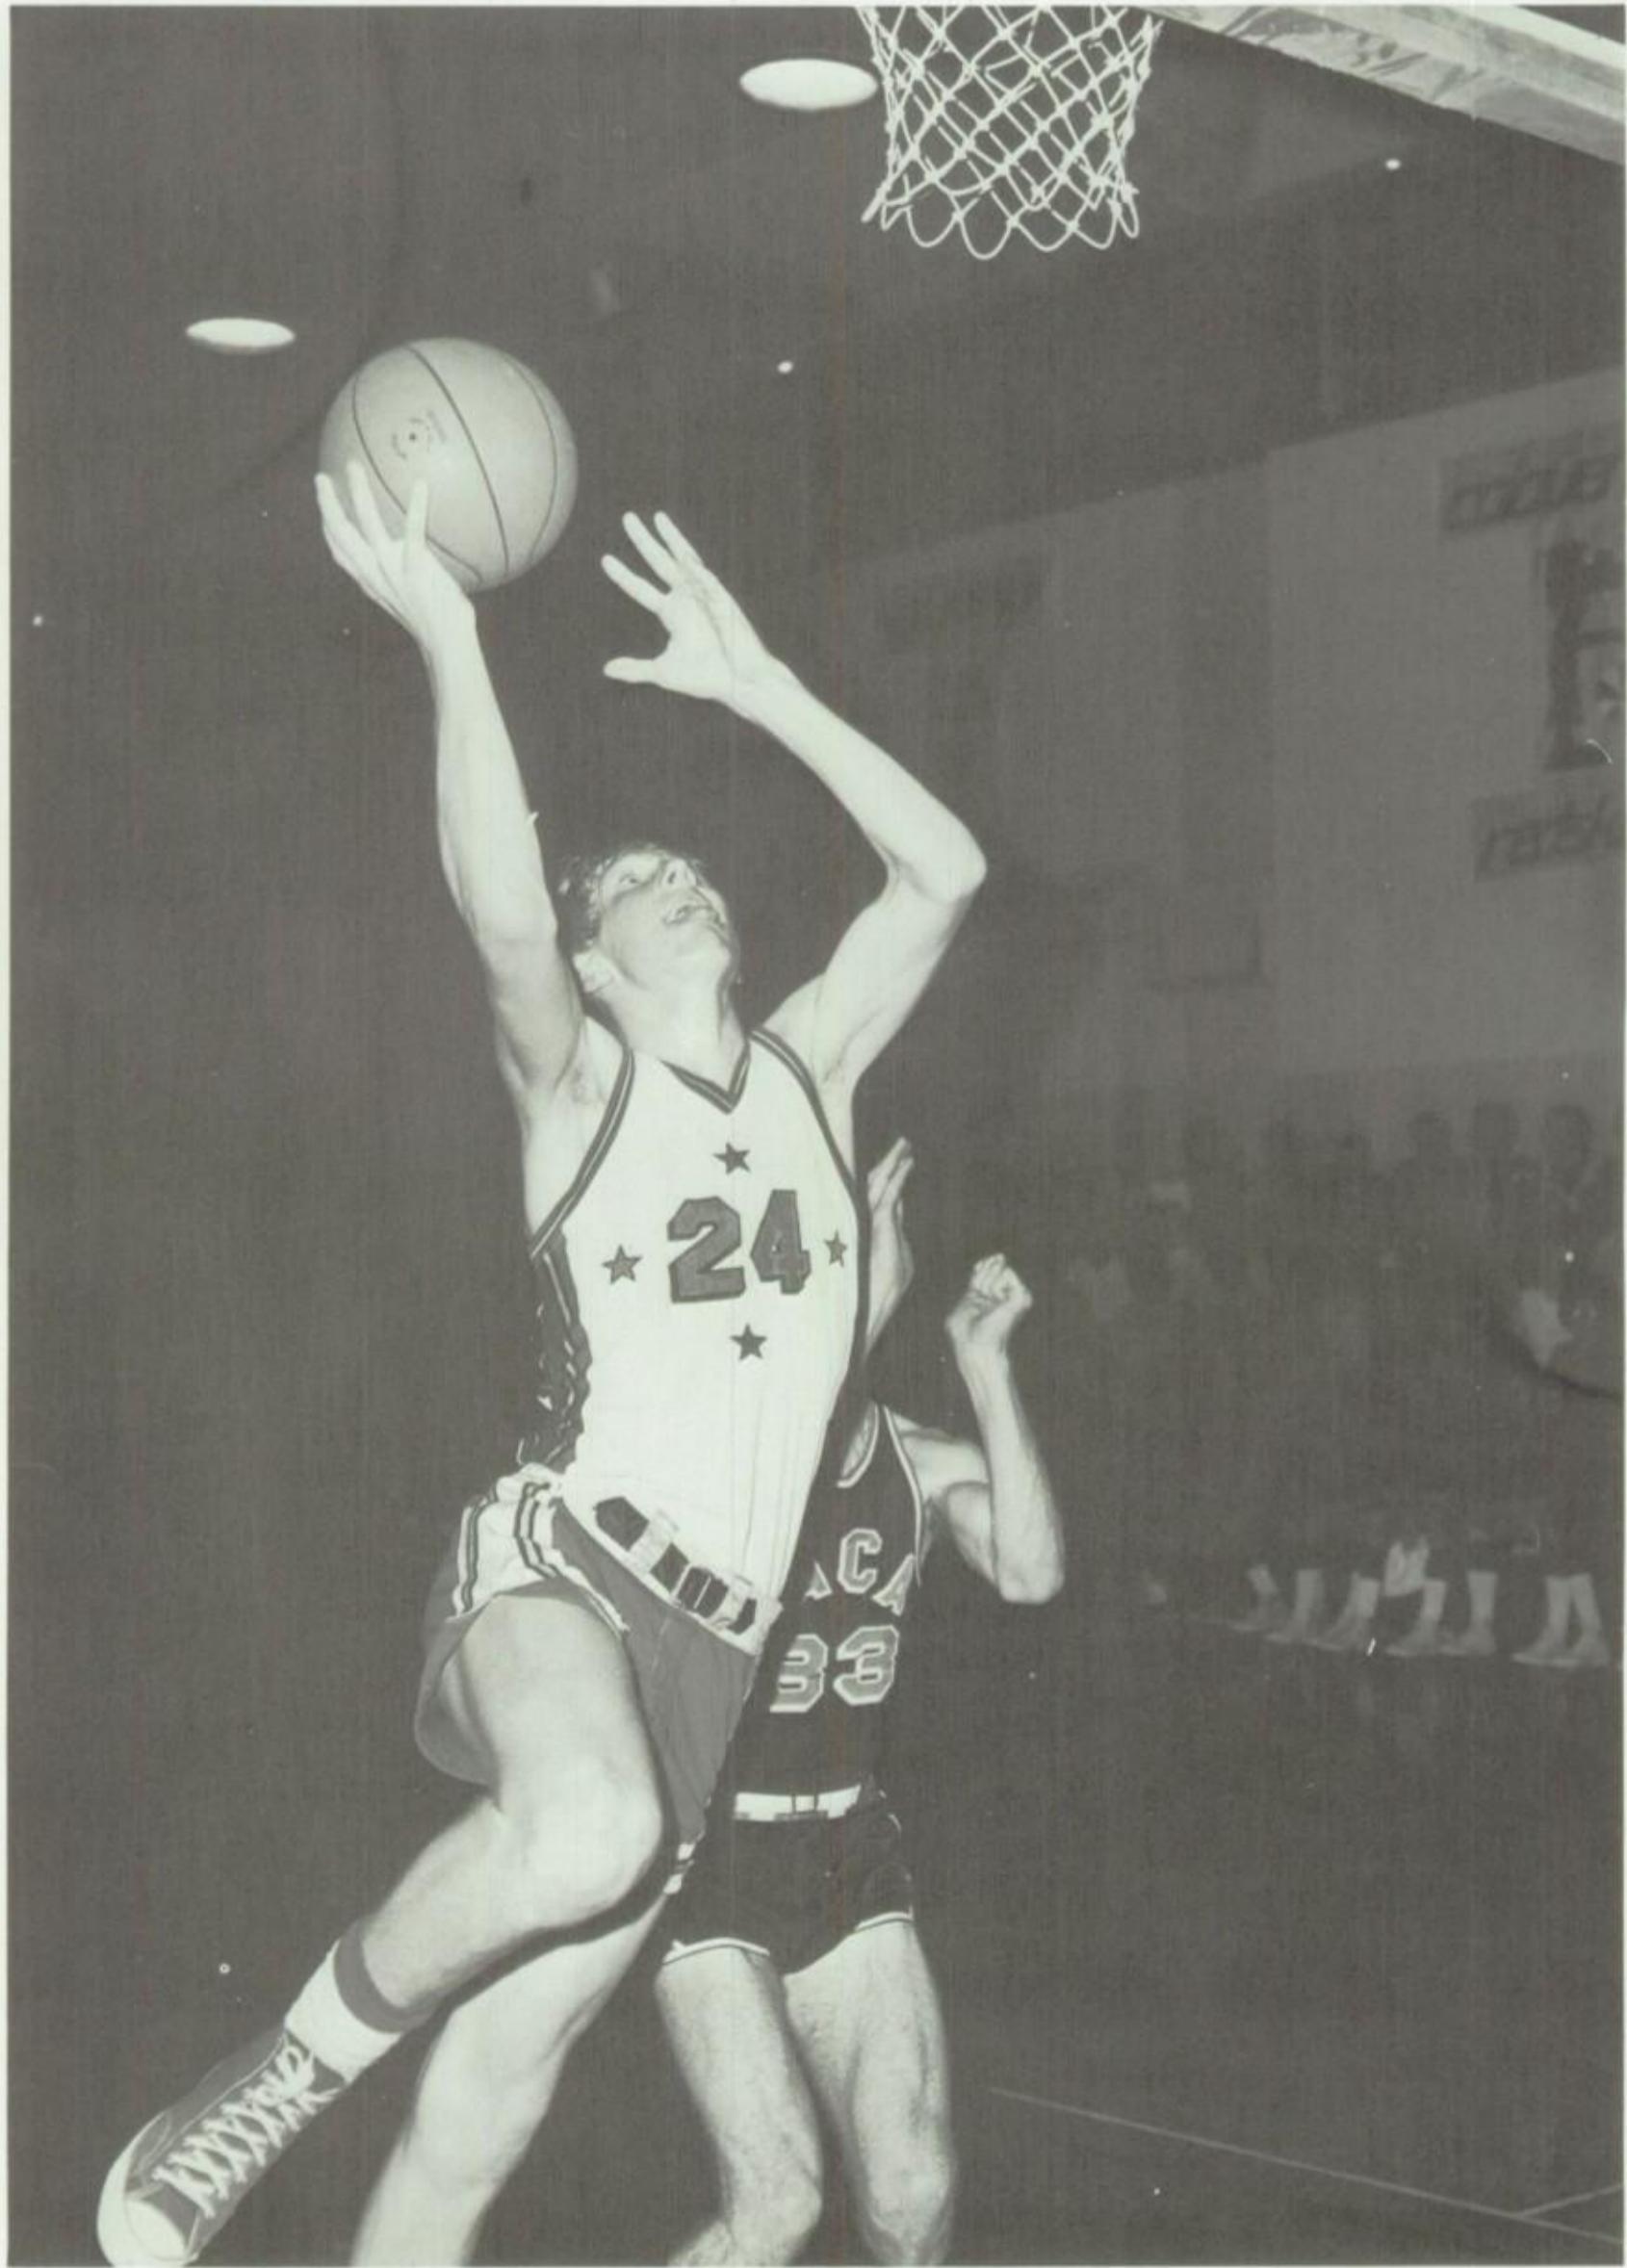

Row 1: Steve Cramer, Mike Moore, Jim Kutzer, James Brown, Gary Hagedorn, Marc Sosey, Don Super, Don DeRose.  
Row 2: Chuck Knapp, Roger Scala, Craig Hill, Kermith Walters, David VanOver, Dennis Santino, Ryan Jorgenson.

With four more games to play in the season, the Yreka High School Freshman Basketball team has a record of 9 wins and 8 losses. This was one of the fullest scheduled seasons for the freshman team, with 21 games overall. They competed against all of the NAL teams, most of which were larger schools than YHS, and several Oregon teams as well.

Coach Vernon Smith felt that his team offers good potential for future YHS teams. They had many strong players with good height, quick reflexes, and accuracy in their shooting.

## Yreka Tournament 1972

The Vanden Vikings won the seventeenth annual Yreka Invitational Tournament.

Second place went to the La Sierra Longhorns, third to the Fairfield Falcons, fourth to the Yreka Miners, and Consolation went to the Vacaville Bulldogs. This year's tournament was held March 9th, 10th, and 11th. Other teams participating in the games were the Anderson Cubs, the Eureka Loggers, and the Calaveras Redskins.

The teams arrived on Thursday and were placed in homes for the weekend. Friday was highlighted by a pep assembly put on by the Vocal Ensemble and a dance after the games sponsored by the Junior Class. Saturday morning the traditional tournament breakfast was held.

The Ieka staff would like to congratulate the Miners on the great way they played during the tournament. All of their games were very exciting: Thursday night's upset over Vacaville, Friday night's double overtime game with La Sierra loosing by only two points, and Saturday night's battle with Fairfield. Congratulations also to Gary Torgerson on being named to the All-Tourney team and tying for top scorer of the tournament with 82 points.

This year's gymnastic team is one of which Yreka High School can be proud. The team record was one of the best ever at Y.H.S. It was also among the top rated teams in the state of California.

Coach Ed Loudon claims that he is coaching some of the finest gymnasts that he has seen in his eleven years at Yreka. He feels that all of his seniors are good enough to qualify for university teams.

Losing only one senior, Nancy Weldon, from the team they are looking forward to another successful season next year.

I see land!

Peace 1972

Will it ever come?

What would happen if they gave a war,  
and nobody came?

Can't man ever be docile instead of hostile?

Love shines the way to peace.

Suzi Sumner

If we first find peace within ourselves,  
then we shall find peace through all the world.

The Ieka staff would like to graciously thank Ardis Briggs,
